

**TO:** The Honorable Mayor and City Council Members

**FROM:** Michael C. Van Milligen, City Manager

**SUBJECT:** Acceptance of a Temporary Construction Access Easement from Bard Materials

**DATE:** August 10, 2015

City Engineer Gus Psihoyos recommends City Council acceptance of a temporary construction access easement from Bard Materials to construct a sanitary sewer interceptor as part of the Bee Branch Creek Project Contract #7 Railroad Sewer Crossing Project in Lot 1-2 and Lot 2A Kerper Industrial Park.

I concur with the recommendation and respectfully request Mayor and City Council approval.
