**DATE:** May 10, 2016

**RE:** Work Session – Bee Branch Creek Restoration Project Walking Tour

This memorandum is a request to reschedule the work session that was postponed due to inclement weather on May 9, 2016. Engineering would like to reschedule the Bee Branch Creek Restoration Project walking tour work session to Monday, May 23, 2016 at 5:30 p.m. with the Mayor and City Council. The tour will start at the parking lot at Garfield Avenue and Pine Street.
