Healthy Homes Program Guidelines – Homeowner (Owner-occupied)

Thank you for expressing interest in the City of Dubuque’s Healthy Homes Program. We are kicking off a new round of work to make 100 homes safer over the next three years with funding from the U.S. Department of Housing and Urban Development (HUD).

To qualify for this program, households must be 80% or less of the Area Median Income (AMI) by household size established by HUD Guidelines (see below) and be within Dubuque city limits to qualify.

1-person household	2-person household	3-person household	4-person household	5-person household	6-person household	7-person household	8-person household
\$49,000	\$56,000	\$63,000	\$70,000	75,600	81,200	86,800	92,400

If project bids come in over \$10,000, the property owner will need to contribute the difference to have the project move forward.

The primary purpose of the program is to identify and remediate housing-related health and safety hazards. This is not a full rehabilitation program. The unit will need continual maintenance to remain safe following the work.

It is our expectation that the property be generally code compliant as determined by the inspector. If there are significant health and safety deficiencies, repairs will have to be made prior to project approval.

To begin the process, please complete the enclosed application and return it to our office. After we receive your application, we will verify your income and determine eligibility. Work will proceed on a first-come, first-qualified basis.

Keep this sheet for your records and information. The checklist on the back is also for you to keep.

Please contact us with any questions at (563) 589-1724. We look forward to working with you.
